

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction of air contaminant sources as noted below. The proposed construction is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to [air.pollution.control@TN.gov](mailto:air.pollution.control@TN.gov) or Ms. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15th Floor, Nashville, Tennessee 37243 within 30 days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Construction permits issued by TDAPC do not grant any authority operate, construct, or maintain any installation in violation of any law, statute, code, ordinance, rule, or regulation of the State of Tennessee or any of its political subdivisions.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 22nd Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (615) 532-0207. Hearing impaired callers may use the Tennessee Relay Service (1-800-848- 0298).

Air Pollution Control Construction Permit Application for the following facility: The applicant is Dal - Tile Tennessee, LLC with a mailing address of 7834 CF Hawn Freeway, Dallas, Texas 75217. The applicant seeks to obtain an air contaminant permit (Division identification number: (22-0210-05 and 079294)) for the construction / modification of a Manufacturing Engineered Stone Slabs Production Facility – Line #2 at the following location: 1665 Old Columbia Road, Dickson, TN 37055. The permit request is for the construction / modification of the following: Raw Material Unloading and Storage, Batching and Mixing, Delumping, Molding and Pressing, Curing (Kiln), Cutting, Honing, and Cleaning Operation for their Manufacturing Engineered Stone Slabs Production Facility. Two baghouses, and one Natural Gas-Fired Regenerative Thermal Oxidizer (RTO) control System would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Information regarding this source can be found in the Division of Air Pollution Control Dataviewer link which can be found at the bottom of the Division of Air Pollution Control webpage.

Younes Aleali is the assigned Division person.
